AND FURTHER, the parties agree as follows:

1. The "customer" shall pay to the "system" a monthly sum of not less than the minimum bill, as may be established from time to time by the "system" per month beginning with the first month after meter has been installed (meter installed on or before the 1st of the month shall be billed for the current month.)
2. The "system" shall furnish water to the "customer" at the current monthly water rate as may be established by the "system" from time to time.
3. The meter so installed shall be read once a month by the "system" and the "system" shall bill the "customer" by the first of each month.
4. The "customer" agrees to pay promptly his water bill by the 10th day of each month and further understands that, if the bill is not paid by 10th, there will be late charge in an amount as may be established by the "system" from time to time, added to the gross billing. The "customer" further understands that if payment is not received by the 20th of the month, water service will be disconnected and the "customer" will be required to pay a reconnect fee of **\$35.00** to have water service reinstated.
5. The "system" shall not be held responsible for failure to provide water service, or any resulting loss there from, the "customer" due to war, civil disturbance, accident, act of God, or for any other reason beyond the control of the "system". The "system" in the event of any occurrences, will attempt to restore service to the "customer" as soon as possible.
6. The ownership of the water meter and connection shall continue to remain in the "system" and the "system" shall the right to remove them from the property upon breach of this contract by the "customer".
7. The "customer" does hereby grant unto the "system" the right to come upon the premises for the purpose of installing, repairing and maintaining the water service line and reading the meter attached thereto.
8. Non-compliance by the "customer" of the items in the contract or policies of the "system" will result in water service being disconnected.
